RENTAL OR LEASE OF BOARD-OWNED BUSES

POLICY STATEMENT

The motor carrier license issued to school boards by the Nova Scotia Utility and Review Board allows for the transportation of students to and from school and for the use of school buses for school-sponsored trips for students, teachers, and specifically designated persons acting as chaperones. The NSURB does not permit the rental or lease of school buses to other organizations.

Accordingly, school buses which are owned and operated by the Strait Regional School Board will be available only for school-sponsored activities.
