Serving of Alcoholic Beverages

POLICY STATEMENT

The Strait Regional School Board respects the rights of communities to establish values in relation to the serving of alcoholic beverages under the liquor licensing regulations in Nova Scotia. The Board will condone this practice in the following circumstances:

- Alcoholic beverages may only be served at functions which are sponsored by non-profit organizations or for private functions for non-profit purposes.
- Only the members and guests of the sponsoring group or individual will be permitted access to the event.
Sponsors of licensed events are required to comply with all relevant licensing regulations.
- Depending on the nature of the event, the Board will assess the amount and type of security personnel that must be provided. The cost of security services will be the responsibility of the sponsor.
